TECHNICAL PROJECTS

Roamr – *Github:* ([Frontend](#), [Backend](#)) | [Demo](#)

A mobile app that allows users to query any city, view photos, information, safety ratings, points of interest, and maps.

- Developed user interface with reusable components using React Native.
- Designed a RESTful API using Ruby on Rails.
- Implemented user authorization and authentication using BCrypt and JWT.
- Leveraged third party APIs to compile dynamic information about queried cities.
- Utilized a third party Translator API to implement a language translator functionality.

Iron Budget – *Github:* ([Frontend](#), [Backend](#)) | [Demo](#)

A financial accounting tool that allows users to keep track of their income and expenditures and analyze their spending habits.

- Implemented user interface employing React.
- Architected a backend server using Ruby on Rails.
- Leveraged a third party API to procure locations of banks, ATMs, and other financial institutions near the user.
- Utilized Chart.js for visualization of user's financial data.

WORK EXPERIENCE

Actor's Equity Association, Various Locations – *Actor / Performer*

2008 - 2020

- Studied scripts, music, and choreography, to successfully tell stories that capture audiences in theaters all across the country.
- Collaborated with directors, producers, writing staff and performance teams to determine optimal performance strategies and perfect approaches.
- Continued to hone acting, singing, dancing, and musical instrument skills through private pursuits, lessons and group activities while performing in shows or attending up to 5 auditions each week.

Great Performances, New York, NY – *Captain (Service Manager)*

2009 - 2019

- Met with clients, party planners, and service teams to discuss service needs and develop effective and practical solutions.
- Maintained team productivity and quality of service by establishing and maintaining clear benchmarks.
- Protected business, team members and customers by monitoring alcohol consumption and keeping operation in line with legal service requirements.
